

SERVE Meeting: September 17, 2019

SERVE Office:

- The SERVE office is A111C, in the HHP Academy.
- Office hours are posted outside the door - I will be here every day except Wednesdays.
- You are welcome to drop off forms anytime the door is open.

Events:

- I will continue to use SignUp Genius for all of our events.
- Because of the distance this year between the 2 high school buildings, events will be specific to grade levels - this will always be noted in the signup description.
- Before school day events, make sure you check in with your teachers to make sure you are okay with missing class that day. It is YOUR responsibility to make up any missed work. School comes first :).
- If you signed up for an event and are unable to attend, you must let me know. I understand that things come up, you just have to let me know. The first time you miss an event without telling me, you will get a warning. Repeat offenders may be limited to after school and weekend events.
- If I am not at an event, please be sure to get and turn in a service hour recording form.

Service Hours:

- Inside hours are any hours that I put out. Outside hours are things you do on your own.
- If you are trying to earn credit, both inside and outside hours count toward this total. 90 service hours= $\frac{1}{2}$ of an elective credit
- Honor Cords: Graduating seniors can earn honor cords. You need to complete 100+ inside hours to receive cords.

Upcoming Events:

- Miller's Orchard: In exchange for volunteering on Oct. 19 and 20 Miller's Orchard will be making a donation to our group. This is a great opportunity to earn money for our group which we can then use to give back and for

scholarships. We are sharing this event with NHS and it will be an all hands on deck weekend! Please check your calendars and try to sign up for a shift.

- **Watchdog: We will be partnering with NHS to sell orange glow necklaces during Watchdog Week. These necklaces are in honor of our very own RHS senior who battled leukemia last year - she is in remission and back at school so we want to celebrate her! I think it would be AMAZING to see the stands full of orange the night of the game. We will also be selling the necklaces at the football game so make sure to tell your friends and families.**

Misc:

- **We will be offering SERVE shirts/sweatshirts again this year. I will send out a link to the info once I have it.**
- **Remind: I send out most info through Remind, so please join. Text the #81010 with the message "@rhs-serve".**
- **Lunch Passes: If you want to come see me during lunch, you will need a lunch pass. Stop by between classes if you need one. Passes are only for current SERVE members.**
- **Make sure that when we are out in the community you are proudly representing our program! Wear your SERVE shirt (if you have one) when you volunteer for events. Please limit phone usage when volunteering and make sure you are dressed appropriately. We have a wonderful rapport with organizations in our community and we want to be sure this continues:).**
- **Make sure to check out our weebly page! You can find the service hour recording forms, past meeting agendas, and a calendar of events with links to SignUp Genius.**
- **Please let me know if you have any ideas for volunteering or fundraising:)**
